Features & Benefits:

- Designed with twin 8mm horizontal wires
- Manufactured at 3 metre wide for a more economical solution
- Open mesh pattern provides high visibility to monitor sites without restriction
- High level of vandal resistance
- Available with optional V-Beam to further increase strength
- Supplied with standard or minimal projections at the top of the panel
- Available either bolt down, in ground or on wall
- For low level fences a safety capping is available

Description:

Zaun's **Duo8L ZaunFix** twin wire perimeter fencing is a more economical version our standard Duo8 fencing system, designed at 3 metre centres, with the ZaunFix clip system. **Duo8L ZaunFix** combines a perfectly engineered robust design with a low visual impact that will blend into any situation. **Duo8L ZaunFix** is manufactured from dual horizontal 6mm wires sandwiching a single 5mm vertical wire, producing a 50mm x 200mm mesh pattern that is not only strong and vandal resistance but also offers the best value.

The **Duo8L ZaunFix** system uses the ZaunFix clip system to fix the panels to the post, offering a more economical fixing solution to a full length clamp bar.

Details:

Minimum height of 630mm to maximum height of 6.0 metres – Duo8L Perimeter Fencing

Mesh:

Duo8 mesh comprising 50mm x 200mm mesh with dual 8mm horizontal wires at 200mm centres and single 5mm vertical wires at 50mm centres

Posts:

Various RHS posts sizes dependent on height (see chart below for details), spaced at 3025mm centres

Post to panel fixing:

Panels fixed to posts with ZaunFix clip and bolt fixings at 400mm centres

Gates:

Pedestrian gates are single leaf 1.2m wide, (or width to suit), framed in a 50mm x 50mm RHS with Zaun Duo8 mesh welded inside the frame, with slide latch. Gate supplied with rubber bump stop and 2 x suitable gate posts.

Vehicle access gates are double leaf (single leaf vehicle gates available) 3.0m wide (or width to suit), framed in 50mm x 50mm RHS, with Zaun Duo8 mesh welded inside the frame, with drop bolts and slide latch. Gate supplied with rubber bump stop and 2 x suitable gate posts.

Finish:

Materials are galvanised and Polyester Powder coated.
