Features & Benefits:

- Stripe mesh pattern offers high visibility
- Easily blends into surroundings
- V-shaped pressings adds rigidity to the fence line
- Ideal for locations not suffering from sustained abuse
- Cost effective design with 3 metre centres
- Available either bolt down, in ground or on wall

Description:

Zaun's **Optima** paladin style perimeter fencing is designed as a contemporary and non-threatening perimeter fencing system which offers not only high quality and long service life but also excellent value. **Optima** is designed as a low-cost perimeter fencing solution for a wide range of applications that are not likely to be subjected to sustained abuse, including commercial sites, schools, industrial estates and more.

This high quality and long service life profile mesh system is visually appealing with a stripe effect mesh pattern, which enable this perimeter fence system to blend into its surroundings.

The profile mesh panel is constructed of 4mm vertical wires and 5mm horizontal wires and has V pressings along the length of the panel to provide lateral rigidity. The panel is ideally suited to perimeter fencing where the perimeter is not likely to be the subject of sustained abuse.

Details:

1.73, 1.95 or 2.35 metre high - Optima Perimeter Fencing
